

IMPORTANT INFORMATION AND RULES GOVERNING SINGLE REGISTRATION

1. All applications must be accompanied by proof of registration with a UKC-acknowledged registry as well as a complete three generation pedigree. Single Registration rules and requirements may vary according to breed. If any questions, please contact the registration office at the United Kennel Club.

2. If you cannot supply proof that your dog is registered with a UKC-acknowledged registry, attach a written explanation, complete three generation pedigree, and three (3) color photos of your dog to be reviewed by the Single Registration Committee. Photos should be sufficiently large (3"x 3" minimum), and include a clear shot from the front and one taken from each side in profile.

3. For all dogs registered under a non-breeding contract with a UKC-acknowledged registry, three (3) color photos, including a clear shot from the front and one taken from each side in profile, are required in order to be considered for full registration rights.

4. Dogs exhibiting breed standard disqualifications will be denied full registration rights but may apply for Limited Privilege listing. Refer to www.ukcdogs.com for breed standards and disqualifications. Limited Privilege dogs must be spayed/neutered and are only eligible for UKC performance events. Limited Privilege Gun Dogs are also eligible for Hunting Retriever events.

5. United Kennel Club, Inc., is a separate and distinct registry and has no affiliation to any other registry.

6. All Applications for Single Registration must be submitted on a United Kennel Club application form which is furnished free of charge. A copy of the completed application will not be made available once submitted to the United Kennel Club.

7. United Kennel Club, Inc., reserves the right to refuse any Application for Single Registration, as well as correct or revoke any UKC Registration Certificate or Pedigree at any time.
